

# BIG MARKERS

The TERRA-GRID E 35 Big Markers are specially designed accessories that seamlessly integrate with the TERRA-GRID E 35 system. These markers provide a clear and durable solution for marking runways, parking areas, pathways, and other designated zones. With a secure click-in mechanism, they attach firmly to the grid, ensuring stability even under demanding conditions. Available in White, Yellow, and Red for maximum visibility, these markers enhance organization and safety across various applications.

## KEY PROPERTIES

- Seamless integration
- High visibility for enhanced safety
- Durable construction for long-term use
- Versatile design for multiple applications
- Easy installation without tools
- Weather-resistant and UV-stable for all conditions
