

PLASTIC PALLET

The Perfect Companion for Your Ground Protection Mats.

Our 2.050 x 1.000 mm plastic pallet is designed to enhance the storage, transport, and handling of our ground protection mats. This accessory ensures your mats are organized, secure, and ready for deployment in any environment.

KEY FEATURES

Optimized for Ground Protection Mats

Sized to perfectly fit and transport your ground protection mats efficiently.

Robust and Durable

Engineered from high-quality plastic, this pallet withstands heavy-duty use, ensuring longevity.

Hygienic and Easy to Clean

Resistant to moisture, mold, and bacteria, ideal for outdoor use and storage in varying conditions.

Weather-Resistant

Built to perform in challenging environments, including rain, snow, or high humidity.

Sustainable

Made from recycled materials and fully recyclable, supporting eco-friendly operations.
